Enrollment will be confirmed by the preferred method of contact you have checked above. Classes fill up very quickly. If a class is waitlisted, we cannot guarantee you will get in.

\*\*\*The first class of each session is an information-only class to introduce you to the training methods and prepare you for your journey. THIS FIRST CLASS IS FOR PEOPLE ONLY, NO DOGS.

### Requirements:

Verification that your dog is up to date on appropriate vaccinations is required. (Rabies, distemper, and bordatella). All dogs must also have a negative fecal test within the past six months. Spaying and neutering is highly recommended for all dogs. If your dog is not yet spayed or neutered, please ask about our low cost spay/neuter program specifically for pitties and pittie mixes.

**Note:**

All dogs must be on proper leads. No retractable flexi leashes. Leashes 6 feet or less are acceptable.

Choke chains, prong collars or shock collars are not allowed in our class and are strongly discouraged from use in your home. We recommend and use Premiers Gentle Leader and Easy Walk Harness at our shelter. Please let us help you to find and fit the perfect training/walking aid for you.
