Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Dane County Humane Society, Inc. as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS December 31, 2014 and 2013

Dane County Humane Society, Inc. (DCHS), located in Madison, Wisconsin, is a leader in creating a more humane community focusing on the human relationship with companion animals. DCHS's mission focuses on "helping people help animals." DCHS is effective in its mission through maintaining financially stable and sustainable operations with balanced revenue and expenses. In addition, DCHS educates and supports the public regarding animal welfare and companion animal ownership and instills the value that a pet is a life-long commitment and privilege. DCHS's work also includes promoting a legislative agenda in support of creating a more humane community. DCHS's primary sources of revenue include contributions and various program service fees.

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

DCHS reports information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets—Net assets that are not restricted by donors. Designations are voluntary board-approved segregations of unrestricted net assets for specific purposes, projects, or investments.

Temporarily restricted net assets—Net assets whose use has been limited by donor-imposed time restrictions or purpose restrictions.

Permanently restricted net assets—Net assets that have been restricted by donors to be maintained by DCHS in perpetuity.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. At December 31, 2014, all unconditional promises to give are receivable in less than one year.

Investments

DCHS carries investments in marketable equity securities with readily determinable fair values at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

Property and Equipment

All acquisitions of property and equipment in excess of \$1,000 and all costs for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method.

NOTES TO FINANCIAL STATEMENTS December 31, 2014 and 2013

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Tax Status

DCHS is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, DCHS qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2). DCHS's federal exempt organization returns are subject to examination by the Internal Revenue Service, generally for three years after they are filed. With few exceptions, DCHS is no longer subject to such examinations for tax years before 2011.

Contributions

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by DCHS. Volunteers also provide various services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria are not met.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

The following program services and supporting activities are included in the accompanying financial statements:

Animal services—Examples of animal services include open-admission animal intake, customer service (both telephone and in person), daily care of animals, spay/neuter services, humane euthanasia and participation in the Sheltering Animals of Abuse Victims program. In addition, DCHS works with Madison and Dane County Animal Services, Beloit, Edgerton, Janesville and Rock County to ensure it properly fulfills the services outlined in its contracts with these municipalities.

Wildlife program—Four Lakes Wildlife Center is DCHS's wildlife rehabilitation program.

NOTES TO FINANCIAL STATEMENTS December 31, 2014 and 2013

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Adoption services—Examples of adoption services include customer service (both telephone and in person) and animal adoptions at DCHS's main location, five Mounds Pet Food Warehouse satellite centers and Adoption Center West. The main adoption center and Adoption Center West also offer merchandise such as educational books and pet supplies for sale to individuals adopting animals as well as to other patrons.

Volunteer program—The volunteer program includes activities related to the recruitment, training, supervision, and retention of DCHS's volunteers.

Education and outreach—Examples of education and outreach services include youth, adult and public education programs such as Camp Pawprint, Baby-Ready Pets, Humane Heroes, Girl Scout badge workshops, Positively Pitties, shelter tours and public speaking engagements.

Management and general—Examples of management and general activities include accounting and production of financial reports, development and oversight of the annual budget, supervision of all departments, maintenance of personnel records, and representation of DCHS within the community.

Development—Examples of development activities include cultivation of new donors, fundraising events, membership solicitations, planned giving activities, media and public relations activities and production of DCHS's semiannual newsletter.

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Date of Management's Review

Management has evaluated subsequent events through February 18, 2015, the date which the financial statements were available to be issued.

NOTE 2—CONCENTRATION OF CREDIT RISK

DCHS maintains its cash balances in one financial institution located in Madison, Wisconsin. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2014 and 2013, DCHS's uninsured cash balances total approximately \$272,000 and \$327,000, respectively, primarily due to a relatively higher volume of contributions received close to year end. DCHS places its cash balances with high credit quality financial institutions. Although DCHS's cash balances average approximately \$594,000, DCHS has not experienced any losses and believes it is not exposed to any significant credit risk on cash balances.

NOTES TO FINANCIAL STATEMENTS December 31, 2014 and 2013

NOTE 7—CONDITIONAL GRANTS

DCHS is the lead agency for a community collaborative project for which the donor's promises to give are conditioned upon DCHS and the participating organizations performing adoptions and spay/neuter surgeries above specified baseline levels. In 2014, DCHS also received a grant for a barn project conditioned upon commencement of the barn project construction.

At December 31, 2014 and 2013, conditional grants totaled approximately \$238,000 and \$90,000. The funds received in advance are reported on the statement of financial position as advances on conditional grants. These funds will be recognized as revenue when the respective conditions are met.

NOTE 9—COMMUNITY TRUST FUND

In 1986, the Dane County Humane Society Fund (Fund) was established as a component fund of the Madison Community Foundation (Foundation). The Foundation, as a community trust, serves the mutual interests of Dane County and those individuals and organizations who wish to enhance the quality of life in the community through charitable giving.

NOTES TO FINANCIAL STATEMENTS December 31, 2014 and 2013

NOTE 9—COMMUNITY TRUST FUND (continued)

Component funds of the Foundation are established by donors for the benefit of the community, and, when these funds are established, donors may indicate what organizations or causes should benefit from distributions from the fund. However, donors also grant the Foundation variance power that allows the Foundation to modify the donors' stipulations under certain circumstances as the Foundation monitors the changing needs of the community. Therefore, the Fund is not included in DCHS's financial statements.

The amount available for annual distributions represents 5% of a rolling twelve-quarter average. All other interest and appreciation is added to the Fund. Principal may not be drawn from the Fund except with approval of the Foundation's board of governors. DCHS received a distribution of \$27,006 and \$27,985 from the Fund during 2014 and 2013, respectively. The fair value of the Fund at December 31, 2014 and 2013 was \$543,924 and \$552,989, respectively.

NOTE 10—DONATED SERVICES

The fair value of donated services included as contributions in the financial statements and the corresponding expenses are as follows:

	2014				2013				
	Animal Services D		Dev	Development		Animal Services		Development	
Veterinary services Equipment installation	\$	25,446 -	\$	1,821 2,500	\$	22,638 -	\$	- 1,200	
Services at special events			-					2,016	
	\$	25,446	\$	4,321	\$	22,638	\$	3,216	

Also, many individuals volunteer their time and perform a variety of tasks such as animal exercise and socialization, animal care, customer service, animal adoption, foster care, services at special events, computer services, veterinary services assistance, and clerical work. DCHS received approximately 117,000 and 113,000 volunteer hours during 2014 and 2013, respectively.

NOTE 11—LEASES

DCHS leased space for its Adoption Center West under a noncancelable operating lease that expired December 31, 2014, and for its Mount Horeb Cat Spay & Neuter Clinic under a noncancelable operating lease that expires February 28, 2015. DCHS pays an annual rent of \$1 under the lease for the Mount Horeb Cat Spay & Neuter Clinic. Management estimates the fair value of this space to be \$21,000. This amount is included as a contribution in the financial statements and a corresponding amount is included in rental expenses. The Adoption Center West is subsequently renting on a month to month basis. Rental expenses for these leases totaled \$48,600 and \$47,400 for 2014 and 2013, respectively.

NOTES TO FINANCIAL STATEMENTS
December 31, 2014 and 2013

NOTE 12—RETIREMENT PLAN

DCHS sponsors a simplified employee pension plan (SEP) covering all employees who are at least twenty-one years of age, have worked for DCHS during at least three of the immediately preceding five years, and earned at least \$300 during the year. DCHS makes a contribution to the plan each year equal to 3% of the employee's compensation. Employees are 100% vested in all contributions made on their behalf. Total expense for 2014 and 2013 was \$34,979 and \$37,393, respectively.

NOTE 13—CONTINGENCIES

DCHS is aware of two potential litigation matters. The first is an employment matter pending before the regulatory agency responsible for determining if the case moves forward. The second matter is a potential civil action by an individual bitten by a dog while at an establishment where DCHS was co-sponsoring a fundraising event to benefit DCHS. DCHS plans to vigorously defend itself against any claims made in either of these matters. Due to uncertainties in the litigation process, it is not reasonably possible to estimate the cost of these matters and a liability has not been accrued in the financial statements.
