Statement of Intent - Policy Interests & Priorities

I am personally passionate about rescuing senior animals. My best friend is an 11 year old Border Terrier, Chico.
Having served on the DCHS Board for three years now, I am a strong advocate for our services. I look forward to continuing to work with DCHS. Some of my favorite things about DCHS are Camp Pawprint, Ranger Jake, the Pets For Life program, and our volunteers.

Dane County Humane Society Background and Experience

In 2013, I worked for a city whose police department was struggling to manage and handle lost and stray animals efficiently and safely. A staff member and I visited Dane County Humane Society. We met with Pam and Cathy and asked a lot of questions. In our brief meeting we learned about many of the best practices that are in place at DCHS. Equipped with our new knowledge we were able to create a better process for both the animals, community service officers, and the local humane society.
Current DCHS Board member, appointed March 2023.

Professional Background & Education/Training

I have a BA and MPA from the University of Wisconsin- Milwaukee.
I am a Trust Officer at MassMutual Private Wealth and Trust.
I've been a Trust Officer for 11 years.
