Board of Directors Procedure

Assessing Organizational Performance

Last Reviewed: December 19, 2012

The Dane County Humane Society (DCHS) Board of Directors regularly updates the Board of Directors' statement of strategic direction. This statement of strategic direction articulates the goals and objectives that direct the fulfillment of DCHS' organizational Mission and Statement of Values.

Organizational and Executive Director performances are reviewed and assessed annually in relation to these goals and objectives.

The Board of Directors' statement of strategic direction will be reviewed annually and updated as needed.
