

12th Annual Fit Pets for Rescues

Clinic Prize List

- **Help pets with myBalto Foundation for pet parents in need**
15% off the first year of myBalto for any clinic that signs up during FPR! (10% of all donations taken for foundation instead of 25%)

Pet Scales

- **Waldo Foldable Dog Scale (1) \$350.**
Move this scale around the clinic with ease. Also great for mobile vet units.

Genetic Testing

- **EpiPaws Pet Age DNA tests (5) \$159 each**
Accurately estimates a pet's age within 1 year, ideal for rescues and fosters.

- **Healthy Pet Connect Scale sets (3) \$149 each**
Precision weights for small pets up to 40 lb and digital gram scale for accurate food measurements.

- **BasePaws Feline DNA tests (10) \$139 each**
Screen for genetic predisposition for disease such as tooth resorption.

Exercise and Enrichment Equipment

- **Dezi and Roo Cat Fitness Kits (5)**
The ultimate in safe fun cat toys to encourage exercise and enrichment.

- **"The Indoor Cat" by Linda Moss and Lynn Bahr DVM**

Client educational guide for enriching the lives of indoor cats.
